HER THEME

A wedding adorned in coral, ivory and gold with hints of tiffany blue set the playful yet elegant tone for the wedding and reception.

The ceremony was hosted on the edge of the marsh with a bamboo arbor framing the photos. Cocktail hour was hosted pool side with passed hors d'oeuvres, including Carlton's famous crab cakes. A station-style dinner was served on the lawn under two huge tents. The real party began after dinner when everyone hit dance floor. The evening ended with a festive sparkler send off down the dock and Emily and Jordan boarding a yacht to sail away.
