

HOW TO MAKE A POOL NOODLE FISHING GAME

SUPPLIES NEEDED TO MAKE A POOL NOODLE FISHING GAME

- pool noodle
- paper clips
- pipe cleaners
- googly eyes (optional)
- magnetic clasps
- sticks as fishing rods – you can use marshmallow roasting sticks.
- string
- small knife or scissors
- hot glue
- large container or storage bin

HOW TO MAKE A POOL NOODLE FISHING GAME

1. With your knife, cut the pool noodle into 2-inch thick pieces, then cut them in half to make half-moon shapes.
2. Cut small slits at front and back for the pipe cleaner and paper clip.
3. Add paper clip and pipe cleaner (tail).
4. Glue on googly eyes (optional).
5. Make the fish rod with a stick, string and magnetic clasp.
6. Fill a large container or storage bin with water and add in the fish.
7. With the fishing rod from step 5, let the kids cast their lines and see how many fish they can catch.
