

HOW TO MAKE A SCRAP PAPER SEAHORSE

SUPPLIES NEEDED TO MAKE A SCRAP PAPER SEAHORSE

- white paper
- scrap paper (any color or pattern will work)
- scissors
- glue
- black marker
- googly eye

INSTRUCTIONS FOR A SCRAP PAPER SEAHORSE

1. Start by picking out some patterned or colored paper scraps and started cutting them into long strips.
2. Using the glue, attach the cut strips of paper to the white piece of paper. You can use any color paper you have available.
3. Turn the white paper over and draw your seahorse shape with the black marker.
4. With the scissors, cut along the black line to reveal your final seahorse shape.
5. Turn the seahorse over and glue on a fun googly eye.

To mix it up, start by drawing different animals or objects. You and your child can create a wide variety of fun sea creatures, land animals or other cool shapes. Be sure to hang them on the fridge or walls for all to see and enjoy.
