“38 years ago, our family began this tradition and every year between 30 and 40 of us gather to spend a wonderful week on Emerald Isle. This year was no exception! The beaches were perfect, the restaurants were yummy, and the people were kind. Thank you for delivering a super vacation year after year!”

“The Homeowner Services Team at Emerald Isle Realty will get you top dollar for your rentals, hands down, no contest. We’ve been with them for a year now and wouldn’t go anywhere else. There was a bit of a learning curve in the beginning but once I got on board with the process it was smooth sailing. The extra money coming in from the excellence in marketing and the happy return customers make it very easy to have them manage beach rentals.”

“There are several realty companies to choose from o the island, but we have always chosen Emerald Isle Realty to rent our vacations homes because they have a great selection of properties, knowledgeable staff and we know that we can trust that we will receive good, reliable service during our stay. They are always responsive to their guests and seem to treat their employees well – which is important to us because it speaks volumes about the owners and philosophy of the organization.”

“When we switched from another rental agency to Emerald Isle Realty about 30 years ago, the rental income on our property nearly doubled. With the professional management of our rentals and of our property by Emerald Isle Realty, the gross rental income has increased almost every year, even in years then the overall economy had taken a down turn. And, all of the members of the staff are great to work with!”

– C. and M. Stuber

“We would not rent with anyone else. We even changed from a rental we loved, because the owner changed rental companies. We trust them and have always had the greatest service from them...for nearly 30 years. They make it simple, and truly care about service and the comfort of their customers!”
